Rules of the Game

1. The Playing Area
   a. All games will be played in McComas Hall Pool.
   b. Players are not permitted to enter the pool until they have the permission from the Intramural Sports Staff or a lifeguard.

2. The Game
   a. Object of the Game
      i. To receive as many points as possible by sinking opposing battleships.
   b. Teams
      i. A team must have at least 2 players to begin a battle but not more than 3 may be in a boat.
         1. Teams that start with less than 3 players will begin the game with 10 extra penalty buckets in addition to the 20 buckets each boat begins the battle with.
      ii. During a battle, if a team falls below 2 players for any reason, play may continue as long as the contest remains competitive. If at any point no players remain in a boat, that team is eliminated from the battle.
      iii. For CoRec games, only half of the players actively participating for a team may identify as the same gender. For example:
         1. 3 players → gender max 2
         2. 2 players → gender max 1
      iv. Only two Sport Club or Registered Student Organization team members may be on a team roster in their sport or allied sport.
   c. Beginning a Round
      i. Teams begin a round with 3 players in the boat in either a sitting or kneeling position.
      ii. All boats will be evenly spread around the perimeter of the pool.
      iii. Intramural Sports Staff or teams will add 20 buckets of water to each boat before each round.
      iv. The round begins at the sound of the whistle.
   d. Battle Allowances
      i. Each team will be given 2 buckets and 2 shields (Frisbee discs)
      ii. Teams may throw water at their opponents using buckets, shields, or hands only.
      iii. Teams may block or catch incoming water using buckets, shields, or hands only.
      iv. Teams may use buckets, shields, or hands to move around the pool.
   e. Battle Restrictions
      i. Teams may not bail water from their boat.
      ii. Teams may not touch/retrieve a bucket or shield dropped by an opponent into the water.
      iii. Teams may not intentionally hold, push, rock, etc. any opponent or their boat.
      iv. Teams may not stand in the boat.
      v. Teams may not use any part of the pool wall or other structure to move their boat.
      vi. Teams may not ram or charge other boats.
      vii. If at any time a whistle is blown, all teams must immediately stop their attack.
      viii. Misconduct/verbal abuse.
      ix. Disrespecting the referees.
      x. Attempting to pirate another boat.
      xi. Jumping out of the boat.
      xii. Any other unsporting act.
      xiii. Players penalized for unsporting behavior must exit the boat and swim to the edge of the pool.
xiv. Players penalized for unsporting behavior are not allowed to participate in the subsequent round.

xv. **Penalty:** 10 additional buckets of water are added to the team's boat (at the discretion of the staff).

3. **Game Format**
   a. **A battle is one 40-minute period**
      i. A boat that is sunk may re-enter the battle once the team has exited the pool and resets their boat to its original starting position (including adding 10 buckets of water to the boat)
   b. Each battle will consist of 6 to 8 teams (subject to change based on team registrations).
   c. **Teams in boats will be awarded three (3) points for each successful sinking of another boat. It will be at the discretion of the Intramural Sports Staff if one (or more) teams receive points for sinking another boat.**
      i. Teams must be presently throwing water at the boat causing it to sink to receive points.
      ii. Teams no longer receive bonus points at the end of the round for avoiding being sunk.
   d. **Teams will lose one (1) point for each time that they sink during the battle**
   e. Team substitutes (up to 2 at a time per team) may try to sink other boats from the pool deck by throwing water with available buckets, shields or their hands. Team substitutes cannot be awarded points for sinking a boat.

4. **Overtime Procedures (Playoffs Only)**
   a. If at the end of a battle in the playoffs there is a tie for who would advance to the next round, the following procedures will be used to determine a winner.
      i. Only the teams that are tied will participate in the overtime period.
      ii. The players that were in the boat at the end of the most recent round must be the same players used during overtime.
      iii. Teams will paddle to a designated area by Intramural Sports Staff and must remain in the designated area for the duration of the overtime period. Leaving the designated area results in disqualification.
      iv. The last boat remaining afloat is the winner and advances. If other playoff spots must be filled, the second place team (or third, and so on) will advance. For example, if there is a 4-way tie to fill three spots in the next round, the last three boats afloat will advance.
