Rules of the Game

1. Players and Substitutes
   a. Games are played between two teams of 8 players.
      i. For CoRec games, the following gender restrictions apply:
         1. 8 players → gender max 4
         2. 7 players → gender max 4
         3. 6 players → gender max 4
   b. Only two Sport Club or Registered Student Organization team members may be on a team roster in their sport or allied sport.
   c. Teams must have at least 6 players present in order to begin a game.
      i. If a team falls below 6 players during the game due to injuries or ejections, play may continue as long as the game remains competitive.
   d. If a team does not have the required minimum number of players checked in at the scheduled game time, a 10-minute grace period is given.
      i. If a team (or teams) doesn't have the required minimum number of players by the end of the 10-minute grace period, the game is recorded as a forfeit.
      ii. If one team is present at the start of the grace period (scheduled game time), that team has the option to start up by the mercy rule (10 runs) when their opponent arrives during the grace period. However, the present team may also elect to decline the penalty and start the game with a score of 0-0.
   e. There are a maximum of 8 spots in the lineup, and teams will check in to fill those 8 spots.
      i. When the number of players checked in surpasses 8, their name will be added next to one of the initial 8 players of the teams choosing.
      ii. These players are now linked for the entire game in this spot in the lineup, and can only kick and play in the field for each other.
      iii. For CoRec, the gender policy must be maintained.

2. “No New Innings” Rule
   a. An Intramural Staff member will announce “No New Innings” 45 minutes past the scheduled start time.
      At most, a game will be 7 innings.
      i. If already started, the inning will continue until completed if the visitors are ahead or until the home team is ahead in the bottom half of the inning.
      ii. If time is to be added for any reason, an Intramural Staff member will announce this separately.
   b. Once 3 innings have been completed (2 ½ if the home team is ahead), it is considered an official game.
      i. In this case, the game will not be rescheduled if suspended/canceled due to inclement weather.
      ii. If a game is suspended midway at any point after 3 innings have been completed, the score will be recorded as it was at the end of the last full inning and the game will be considered official.
         1. Note: due to time constraints and field availability, regular season games suspended/canceled due to inclement weather may not be rescheduled.

3. The Field
   a. All games will be played at the SRA Fields.
   b. The kicking box consists of the space behind the front of home plate. A player is considered within the kicking box if they have a foot behind the front of home plate.

4. Kicking
   a. Kickers can kick in any gender order, provided that it is the order that they check in.
      i. The lineup will be limited to 8 active players.
      ii. Additional players may substitute in through the Scorekeeper and must play a full inning.
   b. Teams will pitch the ball to themselves.
      i. The kicker has three pitches to kick a fair ball or the kicker will be ruled out.
      ii. The ball must be kicked while the player is still within the box or the kicker will be ruled out.
   c. Bunting is not allowed. A bunt is a kicked ball not swung at, but intentionally met with the leg or foot
and tapped slowly within the playing field. Penalty: Kicker is out and baserunners may not advance.
   i. A leg swing that leads to the ball unintentionally only going a few feet is not considered a bunt.

5. **Fielding**
   a. The fielding team can have up to 8 fielders but must have at least 6 fielders.
      i. When a play starts there can be a maximum of 6 infielders, including a pitcher and a catcher.

      i. A force out occurs at any base.
      ii. A runner is hit by a thrown ball below the neck.

6. **Base Running**
   a. Runners may leave the base as soon as a ball is kicked.
   b. Runners may not leadoff or steal a base.
   c. When a kicked ball hits an offensive player in the field, the ball shall remain in play unless the offensive
      player prevents an opponent from making a play on the ball. Exception: If the base runner is standing on
      a base, the runner is not out.
   d. Runners may not interfere with fielders making a play on the ball. Any action deemed to interfere with a
      fielder will result in the runner being called out.
   e. **Out of Base Path** - if a base runner goes out of the base path to avoid being tagged, they are out. A
      player is not required to slide into a base, however, a player may not deliberately crash into a fielder who
      is attempting to make a tag.
      i. The base path is considered 3 feet on either side of a straight line in-between the base and the
         runner when a play is being made on the runner.
         1. **Penalty:** the runner is out and the ball is dead; flagrant action will result in an ejection.
   f. Players are allowed to slide into bases in an attempt to beat the throw.
   g. The ball becomes dead when it is returned to the pitcher. While the ball is dead, no player may advance
      bases and no runs can be scored.
   h. Pinch Running:
      i. Any player is allowed to have a pinch runner.
      ii. In order to pinch run, the player must bat and make it to first base on their own. Then the pinch

   b. During the playoffs, if there is no winner at the end of regulation (45 minutes OR 7 innings), there will be
      extra innings.
   c. Beginning with the first inning following the end of regulation, all subsequent innings will implement the
      international tie breaker rule.
      i. Each inning will begin with a runner on second base.
      ii. The player who would be kicking last at the start of the extra inning shall be the runner at second
          base.
